This academic calendar is intended for use by Ysleta Independent School District employees and the community for planning. It is not intended for payroll purposes. Employees should consult with their respective department for verification.

This calendar is compliant with Texas House Bill 4198 and is revised to contain at least 750,800 minutes of instruction for the 2019-2020 school year.

Revised 7/20/19
Dear parents and students:

Welcome back! Our faculty and staff would like to take this opportunity to welcome you to Alicia R. Chacon International. We are excited and ready to get our new school year underway. We are pleased to announce that students in grades....

- 3-8, will continue to be part of the district’s digital device initiative, 21st century learning. They will each receive their very own personal Chromebook for use at school and home.
- 4-8, will continue to utilize Road Scholar methodologies as a path to student success.
- 6-8, will continue to be offered STEM elective classes.
- 6-7, will be able to enroll in Advanced Math classes, which will allow 8th graders to then take Algebra and receive high school credit.

3-8, will be able to join "Monday Clubs". These are just a few of the many engaging enrichment and curriculum initiatives to look forward this year.

We at Alicia R. Chacon encourage family involvement and want to work as partners with parents to provide the best educational experience for our children. As partners, we ask that parents make it a point to visit with their child's teacher at least once per week. Maintaining weekly contact with the classroom teacher is one of the easiest ways for parents to be involved in their child's learning. On-going communication can be done via pre-arranged conferences, telephone calls, teacher emails and student agendas.

As part of our continuing efforts to work collaboratively with our students, parents, and community, we are proud to present to you the 2019-2020 ARC Student/Parent Handbook. The policies and procedures contained in this handbook are designed to ensure that every child experience academic success in a safe, nurturing environment, supported by the collaborative efforts between home and school.

This handbook contains a great deal of information for you to read through with your child. It is important that every student and parent understand the campus policies and procedures as set forth. Please feel free to contact us if you have questions regarding the information found within.

We have no doubt that working together we can make your child's learning experience one that will allow them to thrive in an ever changing global economy. We look forward to working together to create our future leaders.

Educationally yours,
Ruben Cadena

POLICIES AND PROCEDURES

ADDRESS VERIFICATIONS
When enrolling your child at Alicia R. Chacon it is important to provide accurate information. School Administration as well as District Truant Officers will make it a point to go out and conduct address verifications. Anyone caught falsifying their address will be administratively dropped as per district policy.

AGENDA/Road Scholar BINDER
All students in grades 1-8 will receive an agenda at the beginning of the school year. Students in 4-6 also receive an Road Scholar Binder. Teachers will instruct students on how to record assignments and other necessary information. We ask that you, as a parent, check their Agenda/Binder EVERY night and sign it. This will keep you informed of what is going on at school as well as keep your child organized. Students are expected to learn to be responsible and complete their assigned tasks. Teachers will check the agendas each morning to verify that parents have signed them. Please help your child by completing this task. If the agenda is lost, a replacement fee of $5.00 will be charged. If Road Scholar Binder is lost, a replacement fee of $15.00 will be charged.

ATTENDANCE
When students are absent, we can't teach them, and they can't learn. Students cannot reach their full potential if they are not present. Daily attendance in school is critical for the academic success of your child. Studies have shown that students who miss too much school often fall behind in their schoolwork, and, as a result, may not progress at the same rate as their peers. All too often, these students drop out and do not graduate.

As you know, State law requires that a student be in attendance 90% of the time to earn credit for the course work. It is important for you to know that
if your child is absent 18 days or more, administration reserves the right to retain them if they fail a content area and fail to be in school at least 90% of the time. Therefore, it is of extreme importance that they be in school. The more they miss, the further behind they fall. For 6th, 7th, and 8th grade, credit is earned by semester.

**MIDDLE SCHOOL (6TH, 7TH, AND 8TH GRADES)**

**LOSS OF CREDIT**
Students will NOT receive credit for a semester course with the following number of absences:
1st Semester: Loss of credit with 10 or more excused and/or unexcused absences
2nd Semester: Loss of credit with 11 or more excused and/or unexcused absences

**CREDIT RECOVERY**
Students are required to recover credit due to absences by attending Winter and/or Spring Intersession, after-school tutoring, and/or Explorer Academy, regardless of academic standing in the respective courses in need of credit recovery. If a child does not attend any or all of the aforementioned programs for the required time, the student will be required to attend summer school to recover credit.

In the event that your child is absent, we ask that you call the attendance clerk’s office at 434-9210 or bring a note to the office. If neither is done within 72 hours, the absence becomes unexcused. If you accumulate 3 unexcused absences a a warning letter will be sent. If you accumulate 10 unexcused absences, charges will be filed in court. Students with 7 absences (excused or unexcused) will receive a certified letter from administration. Parents of students with 10 absences (excused or unexcused) will be required to come in and conference with our Attendance Committee. Attendance is one of the areas that is reviewed before renewing your permission for the following year. Therefore, it is your responsibility to keep track of absences; excused or unexcused. Students who accumulate excessive absences will be non-renewed.

**CONSECUTIVE ABSENCE**
After 3 days of consecutive absence for illness, a doctor’s note is REQUIRED. A doctor’s note gives reason for an excused absence, not exclusion from absence count.
DOCTOR’S APPOINTMENTS
All doctor's appointments must be accompanied with documentation of proof of appointment for absence to be excluded from the absence count.

ELEMENTARY - On the day of the child’s doctor's appointment, a child must attend any part of the school day, in order for the absence to be excluded from the absence count.

MIDDLE SCHOOL - On the day of the child's doctor's appointment, a child must attend part of the school day, in order for the absence to be excluded from the absence count. The absence count excluded will include only those periods/courses in which the doctor's appointment took place.

The following are examples of **UNEXCUSED ABSENCES**:  
- Doctor's Appointments without documentation  
- Parent's/Family member’s appointments  
- Out-of-Town (vacations, business trips, etc.)  
- Parent’s/Family or Sibling’s illness  
- Lack of transportation  
- Babysitting  
- Truancy (ditching)  
- Weather  
- Other  

ATTENDANCE INCENTIVES
Alicia R. Chacon has several incentives in place in order to promote low absentism. Individual classrooms will be rewarded. Classrooms that have consecutive perfect attendance weeks will receive:

- Week 1 - a blow pop party  
- Week 2 - an M&M party  
- Week 3 - a donut party  
- Week 4 - a popcorn party  
- Week 5 - an ice-cream party  
- Week 6 - a pizza party  
- Week 7 - a "surprise" party  
- Week 8 - a free dress day for the class  
- Week 9 - a no homework pass (Excludes Intersession and Winter Break Packets)

Finally, students who have Perfect Attendance all year will receive a Perfect
Attendance Trophy at their end of year awards assembly.

ARRIVAL/DISMISSAL
Students and parents are not allowed in the building before the 7:35 a.m. bell unless they have a teacher conference or are coming to the front office. Parents are welcomed to wait in the cafeteria or the playground area.

Students are assigned specific areas on the blacktop to line up for their class. At 7:35 a.m., the teachers will pick up their class at the blacktop area and escort them to the classroom. Parents are welcome to remain with their child while they are lined up outside. We ask that you not walk them to the classroom to avoid more congestion in the hallways and further delays to the start of instruction. The tardy bell rings at 7:45 a.m. Any student who arrives after the 7:45 bell will be counted tardy. Breakfast will be served in the classroom from 7:35 to 8:00 a.m. as part of the District initiative.

For the safety of your child, we ask that you not drop students off at school before 7:00 am since no one is on duty at that time. Our staff start their morning duty at 7:15 am and breakfast in the classroom is not until 7:35 am.

Students are dismissed at 2:45 p.m. All teachers will escort their class to the playground for dismissal. All parents must wait by the playground to pick up their children. For security purposes, parents are not allowed in the building prior to the 2:45 p.m. bell.

FOR THE SAFETY OF YOUR CHILD, ANY STUDENT WHO IS NOT PICKED UP WITHIN 30 MINUTES AFTER DISMISSAL WILL BE ESCORTED TO A GATHERING AREA. PARENTS WILL THEN HAVE TO COME IN AND SIGN THEM OUT. FAILURE TO PICK UP YOUR CHILD ON A TIMELY BASIS WILL RESULT IN A CALL FROM ADMINISTRATION. ANYONE ABUSING THIS PRIVILEGE WILL BE ADMINISTRATIVELY DROPPED AND NOT RENEWED FOR THE FOLLOWING YEAR. PLEASE DO NOT ASK TEACHERS OR OFFICE PERSONNEL TO PROVIDE AFTERSCHOOL CARE FOR YOUR CHILDREN.

For safety reasons, students will not be pulled out from class until parent/designated adult signs them out in the office. Please do not ask the office staff to pull them and have them ready for you.

BIRTHDAYS
Students who are having a birthday will be recognized during morning announcements. Students having a birthday on the weekend will be recognized the Friday prior to the birthday. As per District policy students may celebrate their birthday the last 15 minutes of the instructional day. Therefore, you can bring a cake, cupcakes and/or refreshments for your child's class.

BUSES
A school bus and any commercially leased/contracted bus used for school related trips is considered an extension of the campus and classroom setting. In middle school our conferences are student-led. It is important that parents or guardians attend these conferences. Additional conferences may be held any time that parents or teachers feel that one is needed. Please call the teacher to arrange a convenient time. Teachers are not available for drop-in conferences before school or during instructional time.

Alicia R. Chacon has two full-time counselors on staff. Our counselors primarily provide student services; however, on an availability basis, they will assist parents/guardians in any way possible.

CUSTODY DOCUMENTATION
Texas State law and District policy require that current custody papers for children of divorced parents be on file in the office. Questions regarding custody issues and disputes should be referred to your attorney. It is the parents’ responsibility to provide the school with any legal documents that require special circumstances or arrangements for their children.

SCHOOL CROSSING GUARDS
Crossing Guards are stationed on Prado Rd. Their hours are 7:15 a.m. - 8:00 a.m. and 2:30 p.m. - 3:15 p.m. We also have Crossing Guards in our student drop-off area. Crossing Guards are trained by YISD regarding appropriate safety procedures to be used in crossing students and adults. Please do not
confront Crossing Guards with your concerns or become verbally abusive with them. They are there to ensure the safety of your children. Failure to abide by these rules will lead to you being banned from Alicia R. Chacon and all other YISD campuses.

DANCES
As a way to motivate and celebrate student success, Alicia R. Chacon has two dances in the Fall and two dances in the Spring for students in grades 6-8. Students are allowed to attend these dances as long as they don't have any behavior referrals during the month of the dance and are in good academic standing with teachers.

DISCIPLINE POLICY
The faculty and staff of Alicia R. Chacon believe that in order to provide the best learning environment, each student is responsible for acting appropriately. GOOD CONDUCT IS EXPECTED OF EVERY STUDENT EVERY DAY AND EVERYWHERE.

The goal of the Alicia R. Chacon Discipline Policy is to ensure student safety and to increase responsible behavior by having clearly defined behavior expectations that are taught, practiced, and reinforced consistently throughout the school. In addition to the Boys Town Social Skills, we stress seven basic skills that we call Character Skills. Please reinforce these skills with your child at home. We feel that these skills are important in the life of each child.

**CHARACTER SKILLS**
1. RESPONSIBILITY: To do what’s right; To exhibit self-discipline, use self-control, good citizenship, and be accountable for your own behavior
2. RESPECT: To show high regard for self and be courteous and considerate of others
3. INTEGRITY: To act according to what’s right and wrong
4. CARING: To show/feel concern for the well being of others through both words and actions
5. HONESTY: To demonstrate trustworthiness, fairness, and truthfulness
6. COOPERATION: To work together toward a common goal (purpose)
7. PERSEVERANCE: To keep at it; to not give up
Teachers will use the following techniques within the classroom:
• Teach the social skills on a daily basis; reinforce with a teaching lesson when needed.
• Describe specific behaviors to the student in discussing their behavior including consequences.
• Use rationales to explain links in behaviors.
• Use effective praise.
• Provide preventative teaching.
• Model individual behavior expectations.
• Use behavior contracts with specific students.
• Initiate parental communication to address behavioral concerns.
• Loss of school privileges for school fun activities or extracurricular fun activities.
• Refer to the office when these steps have been exhausted.

For those students who choose to misbehave, school Administration will follow the Student Code of Conduct as outlined and adopted by the Ysleta Independent School District Board of Trustees. The Student Code of Conduct provides information to parents and students regarding expectations for behavior, consequences of misconduct, and procedures for administering discipline. For consequences that require an Office Referral, the following administrative interventions will be used:

• Student Conference with Administration.
• Parent Conference with Administration.
• Referral to the Counselor.
• Model the social skill that was not used correctly.

DROP-OFF AREA/PARKING LOT
During arrival and dismissal times, cars are not allowed to stop and park in the student drop-off area. Please park in the parent parking lot if you wish to get down to walk your child into the school. Please do not confront Crossing Guards with your concerns or become verbally abusive with them. They are there to ensure the safety of your children. Failure to abide by these rules will lead to you being banned from Alicia R. Chacon and all other YISD campuses.

Please remember:
- Slow down.
- Traffic is ONE WAY. Follow the cues from the Cross Guards.
- NO PARKING at the drop-off is allowed at anytime.
- Drivers must remain in their cars (while in the drop off zone).
- No parking in the Teacher Parking Lot. No exceptions.
- If your child is not waiting at the curb when you arrive, park or drive around.
- Cross only at the designated crosswalks.
- Do not call children to your car in the middle of the parent parking lot.
- For the safety of your child any student who is not picked up within 30 minutes after dismissal will be escorted to a gathering area. Parents will then have to come in and sign them out.
- Failure to pick up your child on a timely basis will result in a call from administration. Anyone abusing this privilege will be administratively dropped and not renewed for the following year.
- Please do not ask teachers or office personnel to provide afterschool
care for your children.

EARLY STUDENT PICK UP
No student may be released from the classroom during the school day. All visitors (parents, etc.) must report to the office. VALID PICTURE IDENTIFICATION WILL BE REQUESTED FOR ALL VISITORS. The office will call the student to come to the office for dismissal. THIS IS A SAFETY RULE AND MUST BE FOLLOWED BY EVERYONE. Excessive requests for early release of a student without justified reasons will be addressed by Administration.

EMERGENCY DRILLS
Fire drills and other emergency drills are scheduled on a regular basis. Fire drills are practiced once a month. Emergency evacuation drills and lock-down drills are also practiced throughout the year. Students are instructed what to do in a variety of emergency situations.

END OF YEAR FIELD TRIPS
As a way to motivate and celebrate student success, Alicia R. Chacon makes it a point to have at least one “fun” fieldtrip at the end of the school year. Students are allowed to attend as long as they don’t have any behavior referrals during the month of May & June and are in good academic standing with the teacher.

EXPLORER BUCKS
As a way to motivate and celebrate student success, Alicia R. Chacon will recognize and reward K-5 students with Explorer Bucks, 6-8 students will receive Class Dojo points. Every month classroom teachers will be given 200 Explorer Bucks to disseminate amongst students based on effort, behavior, academics, etc. Students will then be encouraged to deposit these monies into their “Savings Account” and twice a year (Christmas and End of Year) students will visit our Explorer Store where they will be able to purchase an array of items. Middle schools students will be able to purchase movie tickets and concession items with their Dojo points.

FINES
Students are responsible for textbooks, library books they check out and the chromebook assigned to them. Notices will be sent if the payment of fines is not taken care of in a timely manner. The cost of textbooks, library books and/or chromebooks is very expensive, so please encourage your child
to be responsible with these items.

FREE DRESS DAY
As a way to motivate and celebrate student success, Alicia R. Chacon has a "Free" Dress Day the last Friday of every month for all students (K-8). Students are allowed to partake as long as they don’t have any behavior referrals during the month and are in good academic standing with the teacher.

HOMEWORK
Homework is given Monday thru Thursday and it will always be a review of concepts previously taught in class. It should take no more than 30 minutes in grades (K-2) and one hour in grades (3-8). All students will also be required to do I-Station and/or Reflex Math as recommended by the teacher.

At the middle school level, homework will be given every day and on most weekends. Homework will consist of additional practice, independent assignments, finishing classwork, organizing binder, reviewing notes and studying for tests. Homework should not take more than an hour during the week. During the weekend, homework may take longer because of projects, readings, etc...

Parents, we ask that you establish a homework routine at home so that your child becomes used to the routine of doing homework at the same time every day. Don’t forget to review and sign your child’s agenda every day. The agenda is also an excellent way for you to communicate with your child’s teacher. Make it a point to do it at least once per week. Remember that the more communication we have the better kids tend to do academically, as well as behaviorally.

CLASSWORK/HOMEWORK and TECHNOLOGY
(3rd - 8th grades). Students are responsible for completing required classwork that needs to be completed online whether they have accepted a Chromebook from the campus or not. There are desktops available in each class and library, so that students may complete online assignments.

LATE WORK
Students will be given every opportunity to submit late work not related to an absence. Any late work submitted will automatically be deducted a letter grade.

HONOR ROLL
As a way to ENGAGE, MOTIVATE, AND INSPIRE our students to always do their best in school, Alicia R. Chacon will recognize students every nine weeks. Students will be called to the front office where they receive an Honor Roll ribbon, an ARC Goodie Bag, and get to sit in the VIP area during lunch time. If students make the Honor Roll all year, they also receive a trophy at the end of year Awards Assembly. In order for a student to make the Honor Roll, they must have A's and B's, “S's” and/or “E’s” on their Work Habits and Social Skills. This means no more than one behavior office referral during a nine week period.

ILLNESS AND ACCIDENTS
Students who become ill or injured while at school will be sent to the nurse’s office. Our school nurse will diagnose and determine whether the student can be treated and remain at school or if they need to go home. If parents need to be contacted it is imperative that we have up-to-date telephone numbers as well as an emergency number in case you cannot be reached. For the safety of your child, help us keep this information current.

The school nurse will do yearly vision and hearing screenings. If a problem is detected, parents will be notified.

IMMUNIZATIONS
Texas State law requires that all school-age children be current with their immunizations. Students lacking proper immunizations will be sent home until the immunizations are updated. Only students transferring from another school or military students entering our schools will be granted a temporary enrollment for 30 days while immunization records are obtained. If you have any questions or need shots, please check with the Health Department, your doctor, or the school nurse.

INCLEMENT WEATHER
If the weather is such that school might be canceled for the day, please log on to our district website or tune in to one of the local TV stations for information. The information will be available after 6:00 a.m. on the day of the inclement weather.
On rainy days or days that are too cold, students will be kept inside the building. In the morning, instead of waiting outside students are encouraged to wait in the cafeteria. After lunch, students will be escorted to the Library where they will remain until their lunchtime is over.

INTERSESSIONS (FALL & SPRING)
At Alicia R. Chacon we have two intersessions during the year for grades 1-8. We ask that you plan vacation times around these very important dates in the event that your child is recommended to attend. Please keep in mind that if you refuse this assistance it may affect your child's passing and/or renewal privileges for the following year.

Our Intersessions are a time for smaller classes with intensive instruction in a small group settings for the strengthening of skills. Attendance and participation will help your child in every grading period and help meet the standard on STAAR in grades 3rd - 8th. Please note that this is a week long commitment. Each day is a half day from 7:45 to 12:00 p.m. Breakfast, lunch and transportation will be provided.

INTERVENTIONS/ACCELERATION
As a way to monitor student progress, academic, behavior, social/emotional and attendance our Response to Intervention Committee (RTI) meets every other week to monitor the progress of our students. As a way to provide assistance for those students in need, this committee may recommend:

1. Afterschool Tutorials
2. Small Group with Road Scholar Tutors
3. Small Group Instruction by Instructional Coaches and Interventionists
4. Afterschool Explorer Academy
5. Intersession (Winter and/or Spring)
6. Saturday Tutorials

LOST AND FOUND
Please label your child's clothing and other belongings with first and last names. Lost articles that have been found will be in bins located in the cafeteria. Parents, please check frequently. Articles left in the Lost and Found longer than 30 days and any remaining after the last day of school will be given to charity.
LUNCH
Alicia R. Chacon participates in the National Free and Reduced Lunch program. For this program to be effective, every child must have an application on file. The statistics from these applications affect the amount of money that the school receives for classroom activities. Your choice to participate in the program is a personal one but the completion of the application is very important. Please make it a point to fill out and return to school.

As per District policy, students who pay for lunch and have an outstanding balance will be given a peanut butter sandwich and milk, until their account is brought current with the Cafeteria Cashier.

MAKE-UP WORK
For excused absences, your child will have two days for each day of absence to complete and turn in make-up work. If your child will be out more than one day, we strongly suggest that you speak to the classroom teacher and request the assignments. Giving zeros as a grade is not a best practice, and, therefore, a zero will be recorded only after a parent call/notification has been made, and the student has been given two days for every day missed or two days after parent notification to complete the assignments or tests.

NURSE
Our school Nurse is on duty from 7:30 a.m. to 3:30 p.m. daily. If your child has any kind of medical condition the school should be aware of, please let the Nurse know in writing. Medical documentation may be required.

If your child is on medication (either short or long term), please sign the necessary papers in the Nurse’s office. District and State policy requires a U.S. Physician to provide documents and prescriptions for medication for a student. We cannot accept doctor prescriptions from Mexico. Medication is defined as oral drugs, whether prescription or over-the-counter, including aspirin and cough drops.

Below is a list of things that you can or cannot do regarding medication for your child while at school:

1. You cannot send medication with your child. Please see the nurse to administer.
2. All medication must be in the original container and labeled with the child’s name, dosage, time to be given, and doctor’s name.
3. No over the counter medication or medication from another country can be given by our Nurse.
4. The doctor prescribing the medication must be licensed to practice medicine in the State of Texas. That is state law. No exceptions.
5. Any medications must be administered in the Nurse’s office.

If your child is to be excused from P.E., we can honor a parent’s note FOR THREE DAYS ONLY! After that, they must bring a doctor’s note, and again, only from doctors licensed to practice medicine in the State of Texas.

PLAYGROUND SUPERVISION
The playground is supervised from 7:15 - 7:45 a.m. before school, 10:45 - 1:05 p.m. during lunchtime and 2:45 - 3:00 p.m after dismissal. Please do not drop-off your children before 7:15 am since there is no one on duty to properly supervise them. We encourage and welcome parents to come and help us keep an eye on all our children in the morning, during lunch and afterschool.

HOME ACCESS CENTER
Get involved with your child’s education; follow them on H.A.C. You can view your child’s class schedules, grades, assignments, and attendance information through the web-based resource called H.A.C. This exciting program allows parents or legal guardians to keep track of their child’s academic progress.

The secure, password-protected site allows you to view your child’s class schedules, grades, assignments, and attendance information. Any parent or guardian who has legal rights to view their child’s school records may use the system. To enroll, go to the YISD webpage to begin your registration process.

The site can be used on any computer with Internet access. All parents will need to have an e-mail account in order to use this system. If you do not have access to a computer at home or work, you may use the computers in the Library.

REPORT CARDS/PROGRESS REPORTS
- You will periodically receive graded papers to review with your child, sign and return.
- You will receive a three & six week Progress Report for your child.
• You will receive a Report Card at the end of each Nine Week period.
• You will receive positive notes/comments from the teacher via a telephone call or Agenda.
• You will receive a discipline notice and/or a phone call if your child is involved in any actions that require the Administration to intervene.

A reminder that one behavior office referral will result in an “N”, two or more behavior office referrals will result in a “U” which will keep a student from making the Honor Roll for the Nine Week Period, as well as keep them from getting an end of year Honor Roll Trophy. Students who make terroristic threats, bring a weapon, choose to assault one another and/or bring drugs to school will automatically receive a ’U”, will be suspended/sent to an alternative campus and will be administratively dropped at the end of the school year.

RETESTING / REDO OF WORK
Students shall be permitted to retake any assignment/test that he or she failed within 10 school days the failing grade was received. The student’s score shall be averaged and recorded in the grade book as one -Policy EIA-R.

TARDIES
Teachers will keep a record of all tardies. Any student entering the classroom after 7:45 a.m. will be counted tardy unless they have a note from the office or the Nurse. When you have an unavoidable tardy, report to the classroom as soon as possible. Remember that on the fifth tardy the Attendance Clerk will call home to remind parents that on the 6th tardy and every tardy after that will result in an office referral and one day of Lunch Detention or Community Service. Parents of students with excessive tardies will have to meet with Administration. A reminder to parents that Attendance/Tardies is one of the areas that is reviewed before renewing the transfer for the following year. Anyone with 10 tardies or more will not be renewed.

TOYS/ELECTRONIC DEVICES
Students are not permitted to bring any type of toys or electronic devices to school. They are a distraction to the educational process. Toys are not necessary at school unless the teacher requests that the child bring an item as a part of the lesson. We allow students to bring footballs, soccer balls, basketballs, etc. for use at recess. Please be sure they are clearly marked with your child’s name. It is understood that the student is responsible for
keeping up with these items and only using them at the appropriate time. The school holds no liability for items that may be lost. Unnecessary items or toys will be confiscated by Teachers or Administration and only returned to parents.

TRANSITIONS
Students will be escorted during all transitions (Ex. PE, Lunchtime, Third Language, Fine Arts, Library, End of Day, etc). Students are expected to walk in line, in an orderly fashion and to do it quietly in order to minimize disruptions of other classrooms.

VISITOR POLICY
Visitors to our campus are always welcomed. However, proper identification must always be shown prior to gaining access to the building. For the safety of our children we ask that you stop by the office, sign in and get a Visitor's Badge.

VOLUNTEERS
We encourage you to become an Alicia R. Chacon Volunteer and help us make a difference in the lives of our students. Anyone interested in becoming a Volunteer must go through a background check. Once you have been cleared, you will be given a Volunteer ID Badge and can start making a difference in the lives of our students.

As per district policy, no one can volunteer in the classroom or go on field trips with students without a background check. These checks are good for one school year and must be renewed annually. If interested, please see our Volunteer Coordinator.
The information in this handbook is subject to change. I understand that changes in District policies may supersede or modify the information summarized in this booklet. As the District modifies/updates policy information, this information too will be modified and updated.
