

ENGAGE ME

One Vision. Infinite Possibilities.

Technology Is an Essential Tool for Learning to Ensure Students Are Well Prepared

ALL STUDENTS 3rd - 9th WILL RECEIVE A DEVICE

- Beginning 2018-2019 school year, student device agreements will no longer be required.
- Responsibility is outlined in Texas Education Code (TEC) 31.104 holding parents responsible for loss/damage as with any instructional materials.

PARENT'S PLEDGE

- Provide an atmosphere that encourages the participation of my son/daughter in the Engage Me program.
- Ensure that the device is well cared for.
- Ensure the computer is taken to school daily and fully charged.
- Monitor the use of my child's device when not in school.

STUDENT USE

- Devices are to be used primarily for instructional support and creation.
- Students will bring their fully charged devices to school daily.
- Students will be required to follow the *Acceptable Use Policy* in the student handbook.

EXPECTATIONS

- Devices and all accessories are the property of YISD.
- Reasonable care and judgement will be exercised in preventing loss of the device through theft or damage.
- Devices will be returned in the same condition received, less reasonable wear and tear.
- All repairs must be completed by district personnel only.
- Should a device be lost or stolen the parent/guardian must file a police report with the *El Paso Police Department* and provide a hard copy to the campus administrator(s).
- As with any instructional materials provided by the district, applicable fees for loss/damage may apply.
