

To our friends at the Ysleta ISD,

Providence Medical Partners (PMP) in El Paso is excited to provide health care to the employees and dependents covered under the Aetna health plan of Ysleta Independent School District. As a PMP patient, you have access to the Hospitals of Providence; a comprehensive healthcare network in El Paso, TX. Our network includes hospitals, Micro Hospitals, Ambulatory Surgical Centers, Urgent Care Centers, Imaging Centers, Physician Clinics and more convenient locations for comprehensive care in the Southwest Region.

In 2021, we will offer Ysleta ISD employees and dependents covered under the Aetna health plan of Ysleta Independent School District access to our 12 Primary Care Providers in 7 locations in El Paso. We look forward to providing high quality health care through telehealth or in-person visits as our providers will be able to treat your acute healthcare needs with recommendations for chronic/long-term care and wellness/annual physicals. To make an appointment, we ask you to follow these instructions:

For acute conditions (ie, cough, fever, ache, sniffles, etc.)

For these conditions, PMP will have a same-day appointment slot available (est. 30 minutes) for you at one of our 7 locations which can include your choice of a telehealth or in-person visit.

- 1) Visit <http://yisdhealth.com/> and find the location or provider of your choice.
- 2) Click "Book an Appointment"
- 3) Find the next available time for your convenience and follow the instructions to complete booking.

Schedules may not reflect up-to-the-minute cancellations within the same day. If you need assistance finding a time and location convenient for you immediately, call 844-ELP-DOCS.

For chronic conditions (ie, high blood pressure, diabetes, etc.)

For these conditions, PMP will have an in-person appointment slot available (est. 60 minutes) within 24-48 business hours at one of our 7 locations.

- 1) Visit <http://yisdhealth.com/> and find the location or provider of your choice.
- 2) Click "Book an Appointment"
- 3) Find the next available time for your convenience and follow the instructions to complete booking.

If you need assistance finding a time and location convenient for you, call 844-ELP-DOCS.

For annual wellness check-ups or physicals

For these requests, PMP will have an in-person appointment slot available (est. 60 minutes) within 7-10 business days at one of our 7 locations.

- 1) Visit <http://yisdhealth.com/> and find the location or provider of your choice.
- 2) Click "Book an Appointment"
- 3) Find the next available time for your convenience and follow the instructions to complete booking.

If you need assistance finding a time and location convenient for you, call 844-ELP-DOCS.

Your health can not wait! Providence Medical Partners is here for the employees and dependents covered under the Aetna health plan of Ysleta Independent School District. To make an appointment, call 844-ELP-DOCS. We look forward to seeing you soon!
