

# Buster the Bus Safety Program

### Who is Buster?

My name is 'Buster' the Yellow School Bus. I am three-feet tall, friendly, and love to smile. I wink, blink, move my eyes, swing-out the stop sign, I 'bust' a move, and most importantly, talk with students using my musically pleasant voice. Aside from my adorable features, I love to share with students of all ages, in a 20-25 minute presentation, the do's and don't's about school bus safety.

### What does Buster do?

Buster provides safety lessons and messages on the following topics:

- ✓ How to cross safely
