W8400-- ASL Level IV

Course Description:

Through the learning of ASL, students obtain the tools and develop the context needed to connect with other subject areas and to use the language to acquire information and reinforce other areas of study. Students of ASL develop an understanding of the nature of language, including grammar, and culture and use this knowledge to compare languages and cultures and to expand insight into their own language and culture. Students enhance their personal and public lives and meet the career demands of the 21st century by using ASL to participate in Deaf communities in Texas, in other states, and around the world.

Attendance Policy:

90% RULE FOR LOSS OF CREDIT

A student must be present 90% of the days the class is offered in order to receive credit (middle and high school) or to be promoted to the next grade level (elementary school). All absences, whether excused or unexcused, must be considered in determining whether a student has attended the required percentage of days. Parents will be notified prior to and at the actual point the student's attendance, in any class, falls below 90%. When a student's attendance drops below 90% but remains at least 75% of the days the class is offered, the student may earn credit for the class by completing a plan approved by the principal. If the student fails to complete the plan set by the principal, or if attendance falls below 75% of the days the class is offered, the student, parent, or representative may request award of credit by submitting a written petition to the appropriate campus attendance committee. Petitions for credit may be filed at any time the student receives notice but not later than 30 days after the last day of classes. An attendance committee at the campus will determine if credit will be awarded or if the student will be promoted to next grade level based on extenuating circumstances and what is in the best interest of the student, as provided in Policy FEC (LOCAL). The attendance committee may also impose conditions for the student to abide by for the remainder of the grading period before awarding credit/promotion. This applies to all grade levels. See Policy FEC (LEGAL) and (LOCAL).

Attendance & Class Participation Expectations:

Live Class Attendance and Participation:

Students are expected to log into canvas and Zoom meeting room on scheduled class days. They are also expected to be in class on time and to remain in class with webcams on at all times. Participation will be evaluated daily, **especially** on live days.

In- class Participation is mandatory for participation grade. It is going to be evaluated based on level of *engagement in class AND live class; listening skills; culturally appropriate behavior; and preparation.*

Parent Homework:

Please review with your daughter the agenda, ISN notes, **weekly work (assignments that are not finished in class will become homework)**, and test dates.

Parents and students need to sign acknowledgment of this syllabus through the student's _____ class in Google Classroom by the end of the first week of school.
