I1210 MUSIC ORCHESTRA INSTRUMENTAL ENSEMBLE I PEIMS# 03151700

Course Description:

I1210 MUSIC ORCHESTRA INSTRUMENTAL ENSEMBLE I PEIMS# 03151700 Recommended Grade Placement: 9-12 1 state credit Prerequisite: Instructor Approval Four basic strands--perception, creative expression/performance, historical and cultural heritage, and critical evaluation-- provide broad, unifying structures for organizing the knowledge and skills students are expected to acquire. In music, students develop their intellect and refine their emotions, understanding the cultural and creative nature of musical artistry and making connections among music, the other arts, technology, and other aspects of social life. Through creative performance, students apply the expressive technical skills of music and critical-thinking skills to evaluate multiple forms of problem solving. By reflecting on musical periods and styles, students understand music's role in history and are able to participate successfully in a diverse society. Students analyze and evaluate music, developing criteria for making critical judgments and informed choices.

Workshop Day/Time: Tuesday / Thursday 3:30-4:00pm

Course Fee for Orchestra

- 1) Program Fee \$25 (All students)
- 2) Instrument Rental Fee \$25 - (only for students who are renting a school instrument)

Materials Needed:

1. Instrument
2. Accessories (shoulder rest/Rock stop, soft cloth, rosin)
3. Optional: Folding music stand (for home practice), electronic tuner

Instruments

1. Students in the YWLA orchestra will need a high quality instrument that is in good working condition. In an effort to help our orchestra look and sound professional, we ask that all students use wood instruments with a natural wood color. If you wish to purchase or rent your own instrument, please be very careful. Unfortunately, there are many poor quality instruments for sale. Poor quality instruments may not hold their tuning and create a frustrating learning situation for both the student and the teacher. High quality equipment increases the opportunity for success and enjoyment when playing an instrument. Renting an instrument from a music store or the district will ensure quality. Please contact Mrs. Smith before purchasing an instrument.

2. YWLA and YISD have a limited number of instruments available for student rental. We do not have enough instruments for all students. If you are able to rent or purchase your instrument from a music store, we encourage you to do so. The cost for a school or district rental is \$25 for the year. (cash only, please). Mrs. Smith will collect rental money at the beginning of the school year. The instruments will be given out on a first come, first serve basis.

3. If you already have an instrument, it is a good idea to have it looked over by a repair professional about once a year to make sure all parts are working properly. Strings should be replaced about every 1 to 2 years (or sooner if needed), and bow hair should be replaced about every 2 years.
