

How to log in to your Chromebook

Connect your Chromebook charger and open your Chromebook.

If it does not turn on immediately press the power button.

Open the Chrome browser.

Go to <http://my.yisd.net>

A screenshot of the myYISD login page. It features the "myYISD" logo with a red apple icon. Below the logo are two input fields: "User name:" and "Password:". To the right of the "User name:" field is the text "Example: Domain\username". At the bottom of the form is a "Sign In" button.

Type in your User name and Password

An annotated screenshot of the myYISD login page. A yellow callout box with the text "Place a brightly colored label here with student credentials." is overlaid on the "User name:" and "Password:" input fields. The "Sign In" button is visible at the bottom.
