

Campus Health and Safety Plan

2020-2021

Monitoring and Screening

Monitoring and Screening for COVID-19

Before a child leaves home at the start of each day, a parent should answer the following self-screening questions for each child.

- Has the child recently begun experiencing any of the COVID-19 symptoms in a way that is not normal for them?
- Has the child had close contact in the past 14 days with an individual who is test-confirmed to have COVID-19? This would include someone living in the same household as the child or who regularly provides childcare.

High-Risk Close Contact

- High-Risk Close Contact is defined as being less than 6 feet away from a test-confirmed positive case for equal to or longer than 15 minutes

Coronavirus (COVID-19) Symptoms

- Cough
- Nausea or vomiting
- Chills
- A measured temperature greater than or equal to 100.4°F
- Shortness of breath or difficulty breathing
- Repeated shaking with chills
- Sore throat
- Loss of taste or smell
- Diarrhea
- Headache
- Fatigue
- Congestion or runny nose

Monitoring and Screening for COVID-19

By sending a child to school, the parent is attesting that the parent confidently answered "NO" to ALL of the COVID-19 screening questions for the child.

A child who is sick with a fever, sore throat, or other COVID-19 symptom must stay home from school, and the parent must report the absence to the attendance clerk. Any child found to have symptoms at school will be isolated; a parent or guardian will be notified to pick up their student within one hour.

Entry Procedures

- Students driven to school will be screened in drop-off zones, while remaining in vehicle (acceptable temperature is 99.9 F or below)
- Students walking to campus will be screened at campus gates, before entering grounds
- Students riding buses will be screened before being allowed to board bus.
- Utilize district symptoms for student self-screening and student need only respond “Yes” or “No”
- Face masks are required

Transportation Procedures

- Students will have temperature taken before being allowed on the bus.
- Face masks are required by all students while on the bus.
- Seats will be marked off with tape to avoid children sitting too close to each other.
- Except for children from the same household, children will be seated one per row on alternating sides of the bus.
- Rosters will be kept of every student transported so that contact tracing can be performed if needed.

PPE & Disinfecting

PPE Use

- YISD will require face masks to be worn by all students in accordance with the Disease Activity Levels and Face Mask Protocol.
- The district will provide a face mask for every student and employee.
- Unless a medical accommodation has been granted which prevents the use of a mask, all students and staff members must wear masks.
- Students will not be allowed to use bandanas as a face covering.
- Gaiters are acceptable **only** during athletics.

PPE Classroom Use

- Hand sanitizer will be available in every classroom as well as in other meeting and common areas. (Hand sanitizer should be pumped by teachers, not students)
- Each classroom and educational space will have its own spray bottle and paper towel roll containing bleach/water solution. It will be filled daily, to be used by teachers and students to wipe down desks after every use.

General Disinfecting Process

- Each campus has been provided with fogging equipment and anti-microbial disinfectant solution.
- General cleaning and disinfecting will be completed daily by custodial staff using a 10% to 90% bleach/water solution to wipe down surfaces.
- A deeper more thorough disinfecting to include the use of fogging equipment will be completed on Friday and possibly Saturdays and even Sundays depending on schedules.

Campus Operations

During the School Day

Classrooms

- Classrooms will be arranged so that all desks are socially distanced;
- Desk dividers will be provided for each student desk;
- Desks will be disinfected between class periods (Secondary) and throughout the day (Elementary).
- **You may include pictures of classrooms on this slide**

During the School Day

Restrooms

- Students will be allowed to use the restroom during scheduled times and/or during class. The number of occupants will be limited to allow for social distancing, and bathrooms will be monitored by campus staff. Students must wash hands before leaving the restroom and then use hand sanitizer upon entering the classroom. Increased restroom disinfection will occur throughout the school day.
- Students will be reminded to wash hands frequently, preferably for a minimum of 20 seconds.

During the School Day

Water Fountains

- Water fountains will be closed. Students should bring their own water bottles to school.
- A water filling station will be available for students to fill up their water bottles.

During the School Day

Hallways

- Red “X”s have been placed 6 feet apart, throughout hallways, for students to ensure social distancing.
- Two-way traffic is allowed with student traffic directed to the far right and provided students continue to observe social distancing.

During the School Day

- Students should be reminded to cover coughs and sneezes with a tissue. The tissue should be thrown away and hands washed immediately.
- Classroom materials should not be shared between students.
- Classrooms will refrain from using communal supplies to include calculators, pencils, markers, etc.

Breakfast and Lunch

During the School Day

Breakfast & Lunch

- Breakfast will continue to be served in the classroom allowing students to remain socially distant while eating at their desks.
- Students will be required to wash hands before each meal.
- Breakfast and lunch meals will be individually packaged with disposable utensils.
- To ensure social distancing and limit the number of people touching the individually packaged meals, teachers will be responsible for providing a meal to each student in the classroom.
- Students should not share food or drinks.
- Students will be allowed to bring lunches that do not require microwave use.
- All campuses will be closed to visitors for lunch.

During the School Day P.E.

Physical education and health classes will follow the YISD Protocols for Physical Education and Health. Whenever possible, physical education classes will be held outside to allow for maximum physical distance between students. Any activities bringing students into close physical contact or requiring multiple students to touch or handle the same equipment will be avoided. Visual markers will be used to remind students of social distancing rules

After School Activities

All after school activities have been suspended until further notice, due to COVID safety measures

Exit Procedures

- Students and staff members will wash hands before exiting the building at the end of the day.
- All students will be walked out at the end of the school day, to ensure social distancing.
- All students and employees exiting a school building must be wearing a face mask.

Exit Procedures

- Unsecured entry/exit doors will be controlled by a school employee.
- Students will not be allowed to congregate outside the building while waiting to be picked up.
- An area will be designated where students who may be delayed in leaving can wait for a parent/guardian. This area will be monitored by a staff member and accommodate enough people to ensure social distancing is accomplished.

Visitors to Campus

Visitor's Procedures

- Anyone without a clear purpose for visiting the campus should be denied entry.
- The visitor must show proper ID to the camera and staff should verify if the visitor has an acceptable face mask before entering the building.
 - a. Acceptable forms of ID include any state-issued or Federal-issued ID. Passports are also accepted.
 - b. Foreign and employment IDs are unacceptable.
 - c. Federal-issued military IDs are acceptable.

Visitor's Procedures

- Admittance to the school should be granted for one of the following purposes:
 - a. Appointment with school personnel
 - b. Dropping off an item for a student or a teacher use, e.g. backpack.
 - c. Vendor or contract visits (i.e. UPS, USPS, etc.) should be scheduled on Friday when fewer people are on campus.

Visitor's Procedures

- All visitors **must** complete the YISD COVID-19 screening protocol.
- All visitors **must** wear a face mask in order to gain entrance into the building.
- No volunteers will be permitted until further notice.

Additional Information
