

Authentic Learning - PBL

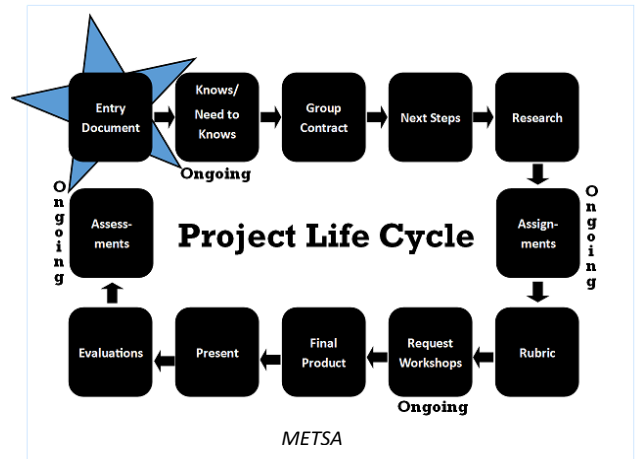

July 24 - 25 Tues. & Wed.

8:30 - 3:30

Bel Air HS, El Paso TX

©2015 Buck Institute for Education

The purpose of this Authentic Learning Institute is to work together to develop authentic lessons that rigorously embed state standards, college and career readiness standards, 21st century skills or Habits of Mind, address industry and community needs, and are applicable to Texas content, scope, and sequence.

Wherever you are in your journey of hearing about, crafting, implementing, and/or evaluating Authentic Learning, we invite you to join with us in breaking down the components of PBL to ensure that your students engage in authentic learning aligned to mastery of content.

- Participants will partner with industry and higher education
- Differentiated workshops for teachers, instructional coaches, and administrators
