

Technology Lab request

1 Set of Headphones-this item should be labeled with students name, grade level or in a baggy labeled. (disregard if your teacher has this on their list.)

If a student has 2 sets they may store one in the computer lab.

Not required but would be appreciated.

One box of kleenex and a bottle of germ X.

(This is only on a donation basis since I know you are asked for these things by your child's classroom teacher.)
