Advisory Committee Meeting Minutes

Friday, August 20, 2021, 10:00 a.m.

Microsoft Teams

Attendees: Ms. Tonie Badillo, Mr. Richard Couder, Ms. Tonie Kreye, Mr. Greg Mactagone, Mr. Jesus Ortiz, Ms. Irma Craver-Castillo, Ms. Laura J. Calderon, and Ms. Olaya Cázares.

Guest: Ms. Stephanie Martin Del Campo.

I. Welcome & introductions

Ms. Badillo welcomed Mr. Couder, Mr. Ortiz, and Ms. Calderon to the group. She informed them that Ms. Kreye has been attending the meetings to participate and give the group direction.

II. Graduation Rates

Ms. Badillo indicated that early colleges need to report their incoming cohort after the October snapshot to the Institutional Research department using the IR-ID Form. Schools will update the form with any additions and drops without deleting any student from the roster. YHSECA had the first graduation with 39 students for a 45% college graduation rate. The goal would be to aim at 71%, the regional average. Ms. Kreye said that TEA has some of the OBMs on pause, but she asked to continue keeping track of the data. Mr. Mactagone was unaware of the graduation deadline and could not include ten additional students which completed in July.

III. Administrator's Updates

Mr. Mactagone has been stressing the importance of the GPA. The senior class is looking good.

Mr. Ortiz told parents that students need to keep a 2.0 GPA. He will be working towards a higher percentage. Ms. Badillo indicated that stability in administration played a significant role in the success of an early college.

IV. Registration

The fact that high school classes started earlier gave them more time to plan and clean up, Mr. Mactagone said. He thanked Ms. Craver-Castillo for her assistance with student requests. As a result of this, he did not have any issues with registration. Ms. Badillo reminded the group that on August 23 (and 24), the first day of classes, EPCC would conduct all of them online. Mr. Mactagone confirmed that all YHSECA students were doing online instruction this semester. He reported a total of 69 for the new cohort and 92 seniors.

Ms. Kreye asked if YHSECA was still taking new students, but Mr. Mactagone indicated they were not so that the cohort could participate in Summer activities.

V. EdTX Coach

Ms. Kreye asked Mr. Ortiz for a grid similar to what he did for Parkland early college. She will schedule the first CCRSM meeting towards the end of September.

VI. Other

- Ms. Badillo's office drafted the MOU for YHSECA and Parkland ECHS. She will email the draft for review to Mr. Couder. She noted that Parkland ECHS needs help with the crosswalk; the one for YHSECA is ready. The plan is to have it approved in September and prepared for EPCC Board approval in October.
