Advisory Committee Meeting Minutes

Friday, September 24, 2021, 10:00 a.m.

Microsoft Teams

Attendees: Ms. Tonie Badillo, Mr. Jesus Ortiz, Mr. Richard Couder, Mr. Greg Mactagone, Ms. Irma Craver-Castillo, and Ms. Olaya Cázares.

Guest: Ms. Stephanie Martin Del Campo.

I. Welcome & introductions

Ms. Badillo welcomed everyone.

II. MOU

Ms. Badillo asked Mr. Couder for the status of the MOU for YHSECA and Parkland ECHS. He indicated that it was under legal review. They had a question about Parkland's crosswalk. He hopes to have it in the YISD Board meeting on October 13.

III. Administrator's Updates

Mr. Mactagone met with seniors to go over the degree process, and he advised juniors to stay in touch with EPCC instructors. He indicated that they would continue with virtual classes only for Spring 2022. Ms. Badillo asked for the approximate number of seniors to graduate next year. They have 61-65 on track to finish. The number of juniors looks the same, but this group might have four early graduates in December 2022. As to freshmen class and recruitment, they have not started the process for recruitment. The new cohort is working on the health module, and they are getting ready to finish at the end of the month. She also inquired about a transportation plan to take the students to UTEP. Mr. Couder said he was working on it. Ms. Craver-Castillo reminded the group to send students her way to provide them with information on funds available for students.

Ms. Badillo asked for support in promoting the college. The college's enrollment for traditional students is below 6 % from last year. Other colleges in the state and UTEP also have the same problem.

IV. Registration

Ms. Badillo asked how the dashboard and shared folders were working. Mr. Mactagone said no issues. He indicated that it was a great tool.

V. EdTX Coach

Ms. Kreye did not attend the meeting because she is waiting for Educate Texas to assign schools. Ms. Badillo mentioned that the designation letters were out. She asked to request them from their district. From what Educate Texas shared, we are in good shape in El Paso, and recommended putting OBMs on the agenda for the meeting with their EdTX coach.

VI. Other

- Mr. Couder asked about the situation with the Psychology books. Mr. Mactagone will work with Ms. Martin Del Campo to get more information from students.

VII. Next Meeting

The next meeting will be Friday, October 29, 2021, at 10:00 a.m.
