

THE DISTRICT

June, 2019

Dear Present and Future Warrior Parents:

Welcome to Bel Air Middle School – Home of the Mighty Warrior Nation! Welcome to our new and amazing \$40 million state of the art facility! The first thing you'll notice about your experience at BAMS is the amazing customer service and attention we offer each parent and student. The enclosed registration packet was designed to facilitate a smooth and efficient registration process for everyone.

Registration this year will consist of three steps:

STEP ONE: Complete the on-line enrollment portion, which can be done in the comfort of your home, at one of our 8 after school help sessions, or at the school on the day of registration (this will increase registration time);

STEP TWO: Complete the enclosed forms (some parts of registration have to be done on paper);

STEP THREE: Come to your designated registration day in August with the documents required.

Almost all of our parents have already registered on-line (95%). Unfortunately, there are some forms which the government requires to be filled out manually. Those forms are enclosed in this packet. Please take time to fill out each page enclosed. After you've filled out all of the information, please bring it with you to your assigned registration date and time. Having this information now will decrease the time it will take to register in August. Once the on-line registration is completed and the attached forms are returned, registration in August should be a breeze!

At registration, you will need to provide the following documents for students:
