January 21, 2021: Visit Mrs. Haggerty's 3rd & 6th period

January 25, 2021: Visit Ms. Jimenez Algebra 1 classes

Campus Tours for New to T-STEM Parents and Students:

- TBD
- *New to T-STEM Makeup Day:*
-

Recruitment summary:

- Our recruitment plan starts with 5th graders in our feeder pattern.
 - During the spring semester, they are given a tour of the T-STEM classrooms at the middle school.
 - During the tour, student ambassadors, counselors, T-STEM students, teachers, and the T-STEM coordinator present to the students.
- Out-of-district parents interested in the academy receive tours and meet with the T-STEM coordinator and counselor.
- We conduct a spring T-STEM Night at Parkland MS for the PreK-12 feeder pattern to showcase their STEM programs.

T-STEM Recruitment Plan 2020-2021

- We make applications available for both the middle and high school T-STEM programs at this event.
- In December, all 8th-grade students from the Parkland Middle school will receive a presentation explaining the benefits of joining the T-STEM Academy. [\[DONE\]](#)
- In January, another round of T-STEM Academy presentations will be given in the middle school T-STEM classes. [\[DONE\]](#)
- Additionally, Parkland T-STEM Academy will host one parent informational night for all district and El Paso County parents.
- Other considerations:
 - We also share information through campus and district social media outlets.
 - All 8th-grade students from YISD are eligible to apply/enroll in Parkland T-STEM Academy.
 - El Paso County 8th graders are also eligible to enroll in Parkland T-STEM Academy as long as they meet the requirements for transfer students into YISD.
 - Grades, discipline, and test scores are never a consideration for admission to the T-STEM Academy.
