

# THE DISTRICT

## Summer 2020 Student Devices

Due to the current COVID -19 restrictions Ysleta ISD has made the decision to allow students to keep the District issued devices until we return for the 2020-2021 school year. This will allow students to participate in Summer School and continue learning from home.

### PARENTS:

- Talk to your children about staying safe online
  - Discuss inappropriate contact
  - Discuss inappropriate content
  - Discuss inappropriate conduct
- Use the resources found at <http://bit.ly/yisdparentslearning> and have regular conversations with your children about online safety and security
- Limit the amount of time your child spends using his/her device

### STUDENTS:

- Keep device inside its protective case when not in use
- Keep device clean by using a slightly damp cloth to wipe the outside, keyboard and trackpad
- Keep the device in a safe place to avoid damage/loss
- Use the device to learn something new!
- Be sure to use the device weekly

### REMEMBER:

- **You are still** responsible for the taking care of the device
- The device **must** be returned to your campus in good working order when school resumes
- If you **will not be returning to Ysleta ISD** for the 2020-2021 school year, contact your campus to return the device. It is your responsibility to return it to Ysleta ISD, otherwise **we will** file a police report
- Graduating seniors **must make** arrangements to return all equipment to their home campus

### DEVICES RETURNED WITHOUT DAMAGE:

- **Students in grades K-8 will receive FREE dress each Friday during the first nine weeks of school (ES campuses reserve the right to offer an alternate incentive)**
- **Students in grades 9-12 will receive a punch card providing FREE entrance to 6 regular season athletic events within YISD District games only**
