

THE DISTRICT

2021-2022

Dear Parent or Guardian,

Effective August 2, 2021, Ysleta ISD and Child Nutrition Services will offer healthy meals every school day to all of its students at no cost, thanks to recent guidance provided by the U.S. Department of Agriculture (USDA), which manages the National School Lunch and Breakfast programs.

Typically, a student’s household must meet income eligibility requirements to qualify for free or reduced-price meals. However, the USDA issued guidance that allows schools to offer meals to all students at no cost for the 2021-22 school year.

The campuses that qualify for this program are:
