**Business:**

**Presentations**

- Child Nutrition Services
  - Flor Esnayra shared the menu application, *Meal Viewer*, which is on their webpage. It shows the menus for each campus and has features such as nutritional and allergen information. Ms. Esnayra introduced Southwest Foodservice Excellence, who spoke about the program that offers healthy options for students even a salad bar. This program is located at the following elementary schools: Constance Hulbert, Del Valle, Dolphin Terrace, Eastwood Heights, Glen Cove, Mesa Vista, and Ysleta. They are also serving the Young Women's Leadership Academy. The program is slated to expand next school year.
- Growth and Development Videos
  - Carey explained that the current videos are on DVDs and don't always play with the newer technology. The current videos are on YouTube and are about 17 minutes long. Carey explained that updated, shorter videos are available with lesson plans. After a brief discussion, it was decided that the video links will be sent to members via email for their input on current and possible new videos for campus use.

Meeting adjourned at 4:30 pm
