

2020 Hankssgiving

For the past 20 years Hanks Interact has provided meals during the Thanksgiving holiday for families in need.

In 2000 Interact started with ten baskets for families and as the years progressed, so did the number of baskets to fill. In 2009 we capped the number of baskets at 500.

This year, due to the pandemic, we are anticipating a decline in the donations that we would normally receive from our feeder pattern and Hanks community.

Although our goal this year remains at 500 baskets, we realize this goal may be a bit ambitious during these hard times. Our main goal this year is to concentrate on feeding those families within our Kingdom of 8 community. Normally we feed an average of up to 250 families within our feeder pattern. This year we anticipate the need to be greater due to the pandemic. Our goal within our feeder pattern this year is to feed 350 families. If we meet or exceed our original goal, those extra baskets will be donated to various shelters throughout the El Paso area.

All donations will be used to purchase food items for a complete Thanksgiving meal to include a full size turkey. Items in the basket include peas, corn, green beans, cranberry sauce, cream of chicken/mushroom, mashed potatoes, gravy, cornbread and stuffing. A reusable Hankssgiving grocery bag will be included with each meal.

Please find it in your heart to help Hanks Interact feed families this year. Your generous donation is greatly appreciated.
