## Principal's News:

Dear Broncos,

Teachers submitted students' final grades on Friday, October 9, 2020. Parents can find student grades in the Parent Access center for Quarter 1 semester. Intersession began on October 12-14th, for those students who have not completed their Shmoops exams, students needing to finish their E2020 courses, OnRamps class, and students who will be taking their EOC state tests in December based on their progress in their EOC classes.

Our quarter 2 semester will begin on October 19th. All students will get new schedules via the parent access center.

Just a reminder that students need to log in virtually into their classes and complete their assignments every day. Teachers will be following YISD grading and it is important that all assignments are turned in everyday. In addition, we have virtual tutoring and is open to all our Tejas students. Teachers are available to conference virtually or by telephone with students and parents Monday-Friday from 8:00-8:30 am, this is a great time to schedule individually tutoring sessions, and check on your child's progress. Our students can do it. Students focus on passing all of your classes.

### Student Academic Intervention Help - Virtual Tutoring & Progress Monitoring Meeting are here to Help!

Teachers will be compiling a list of students that have not submitted their work and our intervention will be our virtual tutoring. Virtual tutoring is an opportunity for students to get caught up with their work. If a student has not completed their work, then our progress monitoring meetings will be scheduled with teachers, administration, students, and parents. We want all of our students to be successful and these meetings are to help our students to get caught up with their work and earn credit for their classes.

Students make sure you are attending all of your classes. Attendance is being taken and it counts. Don't lose credit because of absences, make sure to log in virtually to all of your classes.

Thank you to all those in the medical community and all those other members of the community putting themselves at risk to keep us safe. We are El Paso Strong and remain steadfastly united. Keeping our community safe is everyone's responsibility. Stay Safe Broncos!

As Broncos, we are respectful, caring, motivated, and responsible!
