Principal's News:

Dear Broncos,

A friendly reminder that on Monday, May 30th is Memorial Day and there will be no school on that day. Quarter 4 semester ends on June 3, 2022. We want all of our students to be attending their classes and completing their work to earn credit for the classes. Please join us for our parent session on Wednesday, May 25, 2022, see more information below in our newsletter. If your child needs some additional help, then we are here to help. Our FREE tutoring program is available to all of our Tejas students. Please see information below in the newsletter for tutoring opportunities.

Lupus Awareness Month

Lupus is an inflammatory disease/autoimmune disease that occurs when the body system attacks its own tissues and organs. Inflammation resulting from this may affect various body organs including the skin, kidneys, brain, blood cells, lungs, heart and the joints. Diagnosing lupus is often difficult as its symptoms mimic those of other common ailments. However, a major sign of this condition is facial rash that resembles the wings of a butterfly. Other signs and symptoms include:

- Shortness of breath
- Persistent chest pain
- Joint pain, swelling and stiffness
- Fever and fatigue
- Fingers and toes turns blue when exposed to cold
- Headaches, confusion and some memory loss
