More than 20,000 eBooks/eAudiobooks have been added to the [Sora](#) reading app. These eBooks are free to use for any Ysleta ISD student/staff member including our awesome Broncos! Reading makes you smarter! A 2014 study measured the cognitive development of sets of identical twins. Early reading skills appeared to be the factor that determined which twin would be better at both language and reasoning skills though they shared the same genes and environment. *Source: Child Development Journal, July 24, 2014; MentalFloss.*
