Frequently Asked Questions
2024-2025
Recruitment & Application Process**

1) Where is the school located?

We are located at **8040 Yermoland, 79907**. If you Google or Google GPS our school, it is possible, you will be guided to our previous school location. We are located on Yermoland not on Yuma.

2) Are you a public or private school? Charter or magnet?

We are a **public school within the Ysleta Independent School District**. We are not a charter school or a magnet program. We do belong to the Young Women's Preparatory Network (YWPN) which is a non-profit organization based in Dallas, Texas. The YWPN provides additional funding to fulfill our mission of 100% college acceptance to a 4-year university, and to provide a private-like education to girls with our 7-year program. Funding outcomes include yearly college-road trips beginning their 9th grade year.

3) Does YISD provide transportation for students at YWLA?

Yes. We have bus routes throughout the Ysleta Independent School District (as far East and Northeast as the district boundaries allow). Although our busses make stops at YISD campuses, they are for YWLA students only. Some of our families use the transportation available similar to city bus routes if they live far away from the YISD boundaries.

4) Do you require uniforms?

Yes. Once you have applied, been accepted and registered, we will provide detailed information for vendors and uniform expectations. We require Leadership Dress on Mondays, which is the skirt and private school style uniform. Tuesdays - Friday our dress code is referred to as Casual Dress and includes Docker-style pants/shorts, tennis shoes, and polo shirts.
