I. Developing Board Meeting Agendas

A. Placing Items on Agenda

1. Items may be placed on the agenda per Policy BE (Local). Board members will make every effort to discuss their proposed action items and policy changes with the Superintendent prior to submitting. If necessary, the Superintendent will provide board members with information on the item, administration position, and recommendations. Any requested agenda item will appear on the next regular board meeting agenda if the legally required notice is provided. BE (LOCAL) Requires at least two Trustees to add an item to the agenda.
2. An agenda item acted on by the Board shall not be returned more than twice in a board year (May-April) either by the Board or the Administration. The reason for returning the item must be included in the backup sheet.
3. A Trustee shall not ask the Superintendent during a meeting to put an item on the next agenda, if a provision for such action is not a posted item.
4. In accordance with Texas Open Meeting Laws, no member can place an item on the agenda less than 72 hours in advance of a meeting, except in an emergency involving public health or safety as per Texas Government Code and Policy BE (Legal).
5. Items should normally be submitted nine (9) days before the Board meeting (or by the Monday of the week prior to the meeting). Placement on the agenda after the nine (9) days but before the 72 hours must be approved by the Board President.
6. Trustees shall make every effort to provide pertinent and relevant backup material for their agenda items.
7. District Administrative Staff and/or District legal counsel will prepare Recommended Motions for Agenda Items as necessary, to be used at the discretion of the Board.

8. The Recognitions, geared towards students, and Introductions, will be planned and distributed throughout the calendar year so that they are timely to the issue, but not so numerous as to take more than 30 minutes of Board Meeting time, unless approved by the Board President. These guidelines will be used in general for Recognition of students and employees that have won:

- A First Place at the city or regional level and/or
- A First or Second Place at the state level and/or
- A First, Second or Third Place at the national level
- Any other award deemed appropriate by the Administration.

9. The Presentations of reports to the Board shall be limited in number. These reports should be available in the web portal and if requested can be emailed to the Board by Friday preceding the Board meeting and should include an executive summary no longer than one page. Any oral reports should not exceed eight (8) minutes, except for the following reports: budget, health insurance, academic assessment results and any others deemed necessary by the board.

10. Board members may make reports to the Board during regular board meetings.

B. Items that cannot be on the agenda other than for Closed Session.

1. All personnel issues must be conducted in an executive session unless specifically required by the Texas Open Meetings Act to be conducted in an open meeting.

C. Questions about Agenda Items, Requests for Information, Other Trustee Correspondence with Superintendent and Administrative Response:

1. Board requests prior to the Board meeting and after the Board receives their BoardBooks must be addressed and responded to within one business day. Every effort will be made to survey the Board on the Friday of the week prior to the Board Meeting as to whether there are any questions on the BoardBook. The questions and responses will be a part of the Agenda review with the Board, the Executive Team, and the Superintendent to be scheduled the Monday prior to regular board meetings. The Board will make every effort to have requests for additional information or clarification of an agenda item submitted to the Superintendent by 5:00 p.m. on Tuesday on the week of the regularly scheduled Board Meeting.

2. Regardless of which member of the Board submits a request for additional information or clarification, the response will be submitted to all members of the Board. Such response will be provided in an approved format, which identifies the individual board member making the request, and the administrator who provided the information or coordinated the response.

3. All questions or requests should be directed through the Superintendent's office. All responses will be distributed to all board members.
 4. The Superintendent should be notified in advance of any interest to pull a Consent Agenda Item for discussion during a Board Meeting.

 2. The Board will have an opportunity to review a draft of the agenda for regular board meetings on the Friday of each month prior to finalizing the agenda and backup. At that time, the Board members may contact the Superintendent's Office with any concerns about agenda format or requests to change an item from Consent to Action.
- G. Special Meetings may be called by two Trustees. Any request for a special meeting must be in writing with a statement specifically requesting a special board meeting including the agenda item(s) to be discussed.

 2. As provided in Ed. Code 11.051 and Policy BE (Legal), at a Board Meeting, the Board must provide the Superintendent an opportunity to present an oral or written recommendation to the Board on any item that is voted on by the Board at the meeting before the vote is called.

- G. Agenda item discussion by Board members:
1. Every member will have the opportunity to discuss an item at least once before the item may be tabled or postponed.

III. Board Travel (BBG Local)

We, as a Board are expected to exercise ethical stewardship of public funds. The Board should also be held to the same requirements for travel as District employees. Travel should be pre-authorized by submitting the appropriate paperwork through the Superintendent's Office. Board travel will be planned and budgeted for annually. Anything outside that plan will be taken to the Board for prior approval.

In compliance with Board policy and administrative regulation, board member travel must be approved and processed by submitting the appropriate paperwork through the Superintendent's Office.

A. Board members are to request payment for travel arrangements by filling out a Travel Request Form and filing the form in advance of the departure date of travel with the designated staff member in the Superintendent's Office. In order to obtain the most economical rate, Board members must submit Travel Request Forms at least three (3) weeks prior to the conference or event. The Travel Request Form must identify the conference, its location and travel dates. With this form, the Board member may also request a reasonable cash advance for travel-related expenses such as parking, taxi, luggage fees and/or shuttle services.

B. Based on the information provided, the Superintendent's Office staff will make transportation arrangements (airline or car rental) using the District's approved vendor(s) for travel and the Board's budget code for travel.

C. Hotel reservations and conference registration will also be made by the Superintendent's staff using a corporate card issued in the name of the Superintendent or Chief Financial Officer.

D. Based on the request of the Board member, the District can provide a reasonable cash advance to cover travel-related expenses such as parking (per day), taxi and shuttle services. Itemized, signed receipts and any monies in excess of the actual expenses incurred by the Board members must be submitted to the designated staff member in the Superintendent's Office within seven (7) business days of the Board member's return from travel. At the time of submission, the staff member and Board member will review the request and receipts in order to ensure all necessary information has been submitted.

E. In the event that any other incidental and reasonable travel-related expenses are incurred by a Board member requiring his or her use of personal funds, a written request for reimbursement must be submitted with itemized, signed receipts for review and processing by the Associate Superintendent of Finance. The request and receipts must be submitted within seven (7) business days of the Board member's return from travel to the designated staff member in the Superintendent's Office. At the time of submission, the staff member and Board member will review the request and receipts in order to ensure all necessary information has been submitted. Requests not approved by the Associate Superintendent of Finance within seven (7) business days of receiving the request and supporting documentation may be submitted to the Board for consideration and approval at a called board meeting.

F. Arrangements and payment for travel (e.g., airline, car rental), lodging and other travel-related expenses by the District shall be limited to the dates of the conference or event being attended by the board member. Should a board member wish to expand a trip to include personal travel, he or she must make their own separate travel and lodging arrangements for the time period that is not covered by the conference or event. Transportation and lodging arrangements for any time frames outside the dates of the conference or event being attended by the Board member will not be made nor paid for by the District.

G. Issues that may arise with submitted requests for reimbursement and compensation may be submitted to the Board for consideration and action at a properly called meeting. Failure of a Board member to follow these requirements may result in the Board member not receiving compensation or reimbursement for travel. Processing of requests for payment and reimbursement of expenses incurred by the Board members while conducting District business are outlined in board policy and administrative regulation.

IV. Trustee Participation in Another Entity's Function or Meeting

A. If a quorum of the Board attends another entity's function or meeting, a Quorum Posting will be made through the Superintendent's Office. This posting will require the same 72 hours notice to the public as a board meeting requires. A copy of the attorney's time log including who, what, time and amount charged will be provided each month.
