

El Paso is facing the indescribable pain and horror that too many other American communities have had to endure. Our hearts are completely broken by this needless loss of life, especially here in our beautiful home. If you are in need of assistance, below is a list of resources available to the community. Additionally, learn more about how you can help the victims and their families by visiting the City of El Paso's website at [www.elpasotexas.gov](http://www.elpasotexas.gov).
