SIGNATURE PROGRAMS	PROGRAM OVERVIEW	STUDENT OPPORTUNITIES
El Paso Community College Associate of Arts Degree	The uniqueness of the school requires a four-year commitment from students to graduate from high school with an Associate of Arts degree from EPCC in four years. Students participate in a rigorous high school curriculum and earn over 60 college credit hours, preparing them for the demands of a competitive college. An emphasis is placed on participation in extra-curricular activities that focus on leadership, academics, community service and the fine arts.	<ul style="list-style-type: none"> • College Visits • Microsoft Certifications • Dual Credit and Advanced Placement Courses • Extracurricular activities • Associate of Arts Degree
