

THE DISTRICT

YSLETA INDEPENDENT SCHOOL DISTRICT

Enrichment Camps for current Kinder - 2nd Grade Students

Does your child have a love for art, cooking and theater? Then sign them up for one of our enrichment camps this summer for ten days from June 6 through June 17, 2022. The camps include materials and fun and engaging experiences for all participants. Students must attend from 7:45 to 11:45 am daily. Breakfast and lunch will be provided as part of the district's summer feeding program. All registered YISD students will be welcome at the following seven designated summer school locations: Desertaire Elementary, Thomas Manor Elementary, Capistrano Elementary, North Loop Elementary, Del Valle Elementary, Pebble Hills Elementary and Eastwood Knolls International School. Please contact your child's campus to register them for a summer school enrichment camp.

Enrichment Camps for current Kinder - 2nd Grade Students

Artful Science

This camp is a unique and innovative way to teach science through art. It is designed to motivate and encourage students to problem solve and express themselves creatively through reading, writing and art while reinforcing key science concepts.

Master Chef Jr.

This camp teaches students how to be a Junior Master Chef. They will prepare healthier food options from scratch. It is designed to reinforce good eating habits, kitchen safety and dining etiquette through the integration of reading, writing, math and science skills. Each day will focus on a different lesson and menu, and students will dine on their own culinary creations.

Jr. Robotics

This camp introduces robotic components and concepts while helping them build and program robots while integrating academics with reading, writing, science and math concepts.

Play with Puppets

This is a theater arts camp where young students will use literacy skills, public speaking, collaboration, and teamwork. Students will use their creativity to make their own puppets and perform for an audience.

Enrichment Camps for current 3rd through 5th Grade Students

Does your child love taking pictures and producing multimedia projects? Do they offer to use their favorite recipes and make dinner for you and the family? Maybe you have a builder who designs and creates models to solve a challenge or loves coding robots. Have them join our elementary summer enrichment camps for ten full days of fun in the sun! Camps will run from June 6 through June 17, 2022 from 7:45 to 11:45 am for all ten days. Students will be provided breakfast and lunch as part of the district's summer feeding program. The camps will be available at our seven designated elementary schools: Desertaire Elementary, Thomas Manor Elementary, Capistrano Elementary, North Loop Elementary, Del Valle Elementary, Pebble Hills Elementary and Eastwood Knolls International School.

Enrichment Camps for current 3rd through 5th Grade Students

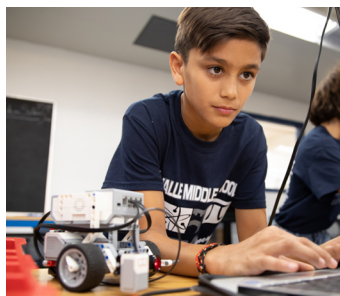

STEM Projects

The STEM camp is a fun and creative way for students to experience hands-on investigations through the integration of Science, Technology, Engineering, and Math. While finding solutions to real-life situations.

Master Chef

This camp teaches students how to be a Master Chef. They will prepare healthier food options from scratch. It is designed to reinforce good eating habits, kitchen safety and dining etiquette through the integration of reading, writing, math and science skills. Each day will focus on a different lesson and menu, and kids will dine on their own culinary creations.

VEX Robotics

The camp introduces the engineering design process, robotic design, building, and programming concepts. Students will design, build and program a VEX robot while integrating academics with reading, writing, science, technology, engineering and math concepts. They will learn to design, build, drive and program a VEX IQ robot to do specific tasks.

Shutterbugs

This camp will teach students to learn creative control of a camera and other basic equipment. Through their photographs, students will create a visual story by elaborating on their observations. They will use their photographs to tell and write their story.

Literacy STEAM Camps for current Kinder - 5th Grade Students

Selected students are encouraged to attend engaging Intervention Camps that were created to address math, literacy and science concepts. This is a GREAT fun way to sharpen your child's content skills and get them ready for the coming school year. Camps for K-5 monolingual students and K-3 Dual Language program students will be hosted at Desertaire Elementary, Thomas Manor Elementary, Capistrano Elementary, North Loop Elementary, Del Valle Elementary, Pebble Hills Elementary and Eastwood Knolls International School.

K-5 Literacy STEAM Camps will run from June 6 through June 17, 2022. Students must attend all ten days from 7:45am to 11:45am Monday through Friday. Breakfast and lunch will be provided as part of the district's summer feeding program. Materials will be provided to every student that attends.
