

## THE DISTRICT

February 9, 2017

Dear Eastwood Family,

It is an exciting time for Eastwood High School! Thanks to the 2015 Bond referendum that voters passed more than a year ago, most of our campus will be renovated into a modern, 21<sup>st</sup> Century facility. I am proud to announce that construction for our new Eastwood High School will officially begin on **Monday, February 13**.

Although this two-year project will greatly improve Eastwood High School for generations to come, it will cause some challenges for faculty, staff, and community members. As such, designated parking lot assignments will be relocated during construction to allow crews full access to the campus.

### **Faculty**

All faculty parking will be located at the front parking lot on McRae. Faculty members who have assigned spots in the back lot behind the stadium will be relocated to the front lot. New parking assignments will be sent via email by the end of the week. Additional parking will also be available Mt. Hope Lutheran Church located across the street at 9640 Montwood Drive.

### **Students**

All student parking spaces that have been purchased through Eastwood High School will be relocated to St. Luke's Methodist Church, located east of campus at 9915 Montwood Drive. Students with parking decals must visit the front office to receive their new parking assignment at the St. Luke's lot.

### **Parents**

Parents will still be able to use the visitor parking spots located at the front parking lot on McRae. Additional parking will also be available Mt. Hope Lutheran Church located across the street at 9640 Montwood Drive. In addition, parent and bus drop-off and pick-up zones will remain in their current locations.

### **Community Members**

We encourage our community members to continue their support and engagement with Eastwood High School during this process. Visitor parking spots will continue to be located at the front parking lot on McRae, with additional parking spaces available at Mt. Hope Church located across the street at 9640 Montwood Drive.

We apologize in advance for any inconvenience and ask for your patience as our campus is transformed into a state-of-the-art facility to serve our future Troopers. If you have any questions, please feel free to contact Assistant Principal Daniel Gonzalez at 915-434-4002. Thank you for your continued support for the students and faculty of Eastwood High School

Sincerely,

Armenia Smith  
Principal
