

## Welcome to the Providence Medical Partners Family

A warm welcome to the employees and dependents covered under the Aetna health plan of Ysleta Independent School District. At Providence Medical Partners, we provide primary and specialty healthcare services you can trust at seven offices conveniently located throughout the El Paso area.

We look forward to providing high-quality care to you and your family and exceeding your expectations at every encounter. Thank you for choosing Providence Medical Partners.

### Acute Conditions

Are you experiencing acute conditions, such as cough, fever, pain, aches and sniffles? Providence Medical Partners offers accelerated-access appointment availability (in-person visits or telehealth services) within 24-48 hours of request at all seven locations.

1. **Visit [yisdhealth.com](https://yisdhealth.com)** and find the location and provider of your choice
2. **Click** "Book an Appointment"
3. **Find** the next available time for your convenience and follow the instructions to book the appointment

If you need assistance finding a time and location convenient for you, call **844-ELP-DOCS**
