### YISD shares plan to allow spectators at outdoor sports events

The Ysleta Independent School District announced Monday a new plan that will allow parents of participating student athletes to attend outdoor sports competitions this spring, in accordance with established safety and health protocols to prevent the spread of COVID-19.

In general, **all** parents of participating student-athletes attending an athletic event will be required to : 1) Undergo a health screening for COVID-19 symptoms upon entering the venue; 2) wear face coverings/masks; and 3) maintain social distancing from others while in attendance. **Listed below are details for specific sports:**

#### Boys and Girls Soccer – High Schools

- Each student-athlete (both home and visitor) is allowed two parents (except during tournament play with multiple teams on one site).
- Student groups (cheerleaders, band, etc.) of the hosting school may perform at half-time.
- Each student from a participating student group is allowed two parents.

#### Baseball – Middle Schools and High Schools

- Each student-athlete (both home and visitor) is allowed two parents if seating capacity allows it (except during tournament play with multiple teams on one site).

#### Softball – Middle Schools and High Schools

- Each student-athlete (both home and visitor) is allowed two parents if seating capacity allows it (except during tournament play with multiple teams on one site).

#### Boys and Girls Track and Field – High Schools

- Each student-athlete (both home and visitor) is allowed two parents (except during large meets with multiple teams on one site).

#### Boys and Girls Tennis – High Schools

- Each student-athlete (both home and visitor) is allowed two parents.

Guidance for indoor athletic events this spring will be released in the coming weeks. For more information, parents are encouraged to submit questions through the “Ask The District” tab on the right-hand side of the main webpage at [www.yisd.net](http://www.yisd.net).
