

Eastwood Knolls

Dragons well we made it to another week of on line learning. You are doing an amazing job adjusting to a new way of learning. Most of you are doing great by attending your on line meetings with your wonderful teachers, by turning in your assignments and by just being awesome. Thank you for your dedication to being really great students. Students please make sure to contact all your teachers and make sure that you aren't missing any homework assignments.

EKIS Parents thank you for keeping up with all the demands that you are facing at the present time. Thank you for keeping up with your children's education needs. We really appreciate your response to assuring that your child is up to date with all their homework assignments.

EKIS Volunteers thank you for your dedication to helping EKIS provide the best education to our students. Your help has made it possible for our teachers and administration to focus on the needs of our students. Our volunteers have a heart of gold. Thank you for sharing your love and attention to make our students shine.

Teachers thank you for going that extra mile for our students. You are so amazing and we are so fortunate to have you at EKIS. Teachers are the persons that have the knowledge and heart to help our students become successful. Teachers that teach from the heart are the persons that love what they do and will continue working when others go home to relax. You touch our children and give them the willingness to work hard and accomplish new goals.

Resources are available to parents that need assistance in providing meals to their families. We highly recommend parents to participate in the free breakfast/lunch that is being provided by YISD. A list of schools that are participating can be found on the YISD Website. Also there is a list of Food pantries that are available to assist you. Please be safe and remember that we are a community that helps our neighbors. If you need help finding resources please call the school counselors, or email Ms. Quiñonez at: equinonez4@yisd.net
